

HELLO, MR. JONES!

(igra se podobno kot gnilo jajce)

A: Hello, Mr. Jones, Hello, Mr. Jones (stops at one pupil and asks)
Are you Mr. Jones?

B: No, I'm not! (and stands up)

(A and B run away from each other in opposite directions. Where they meet they have a dialogue:)

A: Hello, What's your name?

B: My name is _____, and what's your name?

A: My name is _____.

A and B: How do you do! (They shake hands)

They both run back to the empty space. The one who fails to fill in the empty space continues with the game.
